JavaScript / ECMAScript 6

CoffeeScript / TypeScript

HTML / CSS / LESS / Stylus

React + Flux / Redux / Rx

Angular

Backbone / Chaplin

Knockout / Durandal

Require / Browserify / System

Grunt / Gulp / WebPack

Leadership

User interface design

## Summary

I am experienced Front End developer, looking for exciting work to do and interesting people to collaborate with.  
The most interesting for me is the new Frontend technologies and non-trivial tasks, but also people around mean a lot to me.

## Work Experience

- |                                      |  |                       |
